THE UNITED STATES
ENVIRONMENTAL PROTECTION AGENCY

announces an
EXTENSION OF THE PUBLIC COMMENT PERIOD
on the
ENGINEERING EVALUATION/COST ANALYSIS
for the
KERR-McGEE RESIDENTIAL AREAS SUPERFUND SITE
and portions of the
KRESS CREEK SITE.

The U. S. Environmental Protection Agency (U.S. EPA) is extending the public comment period to Monday, September 19, 1994, on the Engineering Evaluation/Cost Analysis (EE/CA) for the Kerr-McGee Residential Areas Superfund site, and portions of the Kress Creek/West Branch of the DuPage River Superfund site in West Chicago, Illinois.

During the extended comment period, the public is encouraged to submit comments on the U.S. EPA's recommended alternative as presented in the EE/CA, available for review in the information repositories listed below. Before making a final decision, U.S. EPA will review and consider all of the comments it receives. Written comments must be postmarked no later than Monday, September 19th, and should be sent to Eileen Deamer at the address below.

Information repositories are located at:
